ANNOUNCEMENTS

WEEK OF JANUARY 27, 2019

FREE BOOKS!

Be sure to stop by the tables of free books in the multi-purpose room this week and take some home! Perfect to take along on winter trips or just to snuggle up at home with. The church library is working on reorganizing and making room for some new materials.

Parents and Caregivers: we are in need of your help.

In the past few weeks, we've had several of our nursery toys/supplies/furniture items broken or misused. We need your help to ensure our nursery remains in good condition and is safe. We ask that parents, grandparents and caregivers please supervise their children while they are using the nursery outside of the worship hour. Our nursery volunteers are happy to supervise play for children ages 0-3 during the Sunday service, but are not responsible for supervising the nursery after the service. Our wonderful volunteers pick up and sanitize all toys and surfaces at the end of Sunday's service. If your child is playing in the nursery outside of worship time, please pick up after them. Please also keep in mind that the nursery toys and equipment are intended for children ages 0-3. Some of the items such as the exer-saucer, rocking toys, changing table, or small chairs can be broken if used by older children. The office supplies and extra toys stored in the drawers and cabinets should only be accessed by our nursery volunteers.

Thank you for your help keeping our nursery a fun, clean and safe place for our little ones!

Grab your clubs and your knickers!

Indoor Mini-Golf is back and better than ever! Join us for a fun-filled afternoon of Mini-Golf here at church. Enjoy 18 holes of family fun, food, and prizes in these cold days of winter. Bring a friend, some family, or a neighbor! Everything is FREE! Hopkins Community Church's 4th Annual Indoor Mini-Golf will be this coming Saturday, February 2 from Noon until 4:00 PM. (Clubs and knickers not required.)

THOUGHTS FOR REFLECTION

WEEK OF JANUARY 27, 2019

Have you ever been in a situation where the way people acted and the expectations seemed completely foreign to you? In one sense, you may not know how to act and if your normal way of behavior is acceptable. In another sense, you may get the impression, whether directly or indirectly, that there are expectations of how you are to be that you may not know or be comfortable with.

The book of Daniel takes place as Daniel is taken captive and forced into a foreign culture. He is offered the best food, education, and position the culture has and is forced to decide whether or not he will engage these things or separate himself from them. We too find ourselves in a culture that is foreign to the way Scripture calls us to live. Every day we face the question of how we can live uncompromised in a world that offers us the “best” it has to offer?

Questions to take home:

1. The happenings recorded at the beginning of Daniel 1 are credited to God's sovereign power. How has God worked through disasters in your life to bring about transformation in you or those around you?
2. Western culture has, more and more, become a foreign culture in the face of Biblical Christian principles. How do you see this becoming apparent in your life? In what ways do you feel challenged to conform to or resist the cultural influences in your life?
3. Daniel is presented with the best of everything Babylon has to offer; he says yes to some and no to others. Daniel's ability to discern and live differently was transformational to those around him. How do you discern between the things of this world that we can cooperate with and those we should resist?

VOLUNTEER MINISTRY

WEEKS OF JANUARY 27 & FEBRUARY 3, 2019

At HCC children are full participants in worship and in the life of the church; we value their unique gifts and energy. We desire to support parents in caring for and to disciple their children.

A private room for nursing mothers is located at the end of the hall to the right as you exit the sanctuary. We provide a nursery for ages 0-3 located to the right as you exit the sanctuary. A quiet play area has been set aside in the back of the sanctuary for parents and their children who would rather remain together in worship but may need space to move around. Children's activity binders are also available at the end of the center aisle in the foyer. We invite you to take advantage of any of these opportunities as we worship together!
