## ANNOUNCEMENTS

WEEK OF DECEMBER 12, 2021

The story of redemptive history and the Gospel itself begins with the Genesis account of Creation and the Fall of humanity into sin. Already, in the first chapters of this story, we find elements of both Truth and controversy. It is likely no surprise to you that the Biblical account of creation, even the very idea of an “intelligent designer” of the cosmos are beliefs that much of the scientific community challenge in a collision of worldviews that vie for the hearts of people the world over.

Genesis 1, apart from its obvious intention to explain creation and the origin of all things, has many great Truths to teach us. From the mere assumption of God’s eternal nature to His creative nature, from the might of His Omnipotence to the finesse of His perfect wisdom, we learn so much about God from these verses. As we begin this journey, the Creation accounts found here are overflowing with Truth that can help us understand who we are and what we believe.

### Questions to Take Home:

1. What are some of the key Truths that you have held in your life that you drew from the Genesis 1 account of creation? How have those Truths helped you in talking about your faith?
2. How have you interacted with some of the contemporary challenges to the Genesis 1 account of creation? What difficulties have you faced with them? Have any doubts arisen? If so, what have you done with them? What does a Biblical Worldview have to do with this?
3. Pastor Jon talked about Gospel elements within the creature narrative, have you ever noticed that? Reread the passages in the bulletin. How do these help you better understand God’s plan for creation, your God-given identity, and what you believe about God?

WEEK OF DECEMBER 12, 2021

**Please pray for those who continue to battle illness in our church and community. Pray that the rising infections from Covid will start to decline here in Michigan and in our country.**

- **Louise Allen** (Carol Boverhof's sister) will resume chemo treatment next week.
- **Jeff Antvelink** (Suzanne's brother-in-law) is slowly being weaned off the sedative for his ventilator. Covid doesn't seem to be present but they are dealing with pneumonia at this time. Pray for healing for Jeff!
- **Kim Barck's** brother-in-law Barry was admitted to Pine Rest and has been struggling emotionally for the past several years. Pray for strength for him and his wife, and for healing and restoration.
- **Leon Huff** (Hollie Roblyer's father) is recovering well from Covid. He returns to the oncologist on the 13th to determine when he is able to resume his cancer treatments.
- **Jill (Mele) Jackson** recently had a scan to see if the radiation seeds have taken care of the cancer. Pray that the scan is clear and that no further treatment is needed.
- **Dave Kukor** has returned home from the hospital and continues to recuperate from Covid. Pray for his complete healing.
- **Zack Marvin** has been dealing with a blood clot in his lung following a Covid infection. Pray for this to resolve with no lasting side effects and that he will experience full healing.
- **Sandy Morris** had the procedure to cauterize leaking blood vessels in her eye, and doctors said it will take some time to heal. They may also still need to do more laser treatment. Continue to pray for full healing.
