MINISTRY LEADERS: A reminder that if you have any outstanding receipts (or if you will in the next couple of weeks) to please turn them in by December 10! This will greatly help us close out the 2021 books before the end of the year. If you will have a receipt coming between December 10-24 as there will still be ministry going on during that time-frame, please turn those in the day of or the next day if possible. Thank you very much, and thank you most of all for who you are, all that you do both up in front and behind the scenes, and for your leadership of our many HCC ministries! We deeply appreciate you!

PRAYER

WEEK OF DECEMBER 5, 2021

We extend our sympathy and prayers to the Priest family in the passing of Ron. This family has experienced so much loss recently; may God lay His hand of peace and comfort on them.

Please pray for those who continue to battle and for others that we may not know that are still sick.

- **Louise Allen** (Carol Boverhof's sister) will resume chemo treatment next week for now. Due to her stage 4 cancer the bone will likely never heal. The surgery was successful in that the intense pain is gone; however, there is nerve damage to her right arm and hand. Hoping to start physical therapy soon to see if that will be helpful.
- **Jeff Antvelink** (Suzanne's brother-in-law) is slowly being weaned off the sedative for his ventilator. Covid doesn't seem to be present but they are dealing with pneumonia at this time. Pray for healing for Jeff!
- **Kim Barck's** brother-in-law Barry was admitted to Pine Rest and has been struggling emotionally for the past several years. Pray for strength for him and his wife, and for healing and restoration.
- **Leon Huff** (Hollie Roblyer's father) tested positive for Covid this past week; pray for healing and restoration. He is unable to have the chemo treatments until he is recovered from Covid.
- **Dave Kukor** remains in the hospital with Covid and pneumonia and was able to graduate to regular oxygen late last week. Continue to pray for healing to take place and for him to be able to return home.
- **Zack Marvin** has been dealing with a blood clot in his lung following a Covid infection. Pray for this to resolve with no lasting side effects and that he will experience full healing.
- **Sandy Morris** had the procedure to cauterize leaking blood vessels in her eye, and doctors said it will take some time to heal. They may also still need to do more laser treatment. Continue to pray for full healing.
- **Bill Snoeyink** was expected to come home from Ely Manor on Friday! We praise God for the healing He has done in Bill and pray that He would continue that good work through the in-home care that Bill will be receiving!
- **Lauren Wolffis** (friend of Kristen VanderSyde)
